*PU PUS PROVIDED*

*To paraphrase Confucius:*

*"You cannot attend this workshop without learning something."*

*WIT's End Players 2020 Season will be announced to Workshop participants prior to the general public.  
Be the first to learn which musical, drama, full-length play or One-Act they will be producing.*

**DIRECTOR:** *Learn how directors are selected whether you have years of experience or no experience. You will be given valuable suggestions to help you start, reminded of challenges that may appear with possible solutions to issues you never anticipated. You may find it useful to learn of another's experiences—painful and/or pleasant. And more importantly, if you are an experienced director you will be encouraged to share your experiences and insights. If you are an experienced actor, you will be encouraged to share the types of directing styles you most appreciate. What, in other words, helps you succeed.*

**TWO WORKSHOP PARTICIPANTS MAY BE SELECTED TO DIRECT  
A FULL-LENGTH or ONE-ACT FOR 2020**

**ACTOR:** *For the beginning to the well-experienced. Learn about they're expectations on you being able to create and develop consistent and believable characters. Pick up helpful audition tips, suggestions for learning lines and how easy it is to overcome stage fright.*

**STAGE MANAGER:** *Often the most valued and appreciated participant in mounting a show. Learn how to be the glue that holds it all together. This is probably the most sought-after role in Theatre throughout the country. Learn of expectations of a Stage Manager on Kauai and how that differs from the mainland.*

**STAGE COMBAT:** *Probably won't be an issue for most of you but if you ever need to be able to slap someone or pull their hair (without actually doing it) you'll learn just how easy and believable it can be.*

**RESERVATIONS ARE REQUIRED** and the number of **attendees is limited** so **sign up soon** by emailing [ArtisticDirector808@gmail.com](mailto:ArtisticDirector808@gmail.com)
